PRODUCT DESCRIPTION

EarthTronics LED Dust to Dawn Yard Light is the perfect solution for many general-purpose outdoor solutions. Select from 3000K, 4000K or 5000K color temperatures as well as 4500, 6000 or 7500 lumen levels, this is easily done by the dial switch located on the top of the product. Built with an integrated photocell sensor feature that provides dusk to dawn operation. This LED yard light operates at 125 lumens per watt efficiency at all lumens levels. This efficiency makes this Yard Light the ideal replacement for 100 to 250-watt H.I.D. dusk to dawn outdoor lights. Suitable for wall or pole mount applications. IP65 rated for outdoor use and a polyester powder coat bronze finish provides for years of trouble-free use. The wide light beam angle provides illumination that reaches over 10,000 sq. ft., providing an added level of security around buildings, walkways and parking lots. Each fixture accepts 120 – 277-volt AC power supply. DLC® Premium listed product.

PRODUCT FEATURES

- + Color selectable: 3000K, 4000K, 5000K
- + Wattage selectable: 36, 48, 60 watts
- + Standard 120-277VAC
