

CorePro LED Downlight

4" CorePro LED Downlight New Construction IC/Airseal Frame

4" CorePro LED Downlight New Construction IC/Airseal Frame

The CorePro LED downlight family is Philips Lightolier's low cost LED recessed downlight that meets Energy Star and Title-24 compliance for residential and light commercial spaces. The family's complete offering of IC/Airseal remodeler and IC/Airseal new construction frame-in kit allows CorePro to go beyond retrofit applications.
