

Sunlite 05276 LED Steel Exit Sign, White Housing with Bright Red Lettering, 90-Minute Battery Power Back-Up, Dual Voltage 120-277V, Ceiling or Wall Mount, Long Lasting, Fire Safety, NYC Compliant

DESCRIPTION:

The Sunlite LED 4-inch RetroFit Recessed light fixture is a LED square downlight designed to fit 4-inch recessed housings. It is an ideal choice for residential, commercial, retail, or new construction projects. The square downlight is dimmable (100% to 10%) with standard dimmers and features high-performance long-lasting LEDs. Each Retrofit lighting fixture comes equipped with a Title 24 quick connector and medium base (E26) adapter to make installations simple. With its low-profile look, 3000K color temperature, wet location rating, and simple installation; the Sunlite LED 4 Inch Recessed downlight is the perfect fixture for those new renovation projects and more!

FEATURES:

- **SLIM & DURABLE** - The slim exit sign is made with corrosion-resistant steel that is built to last. With its steel casing, it can operate with voltage ratings of 120V-277Vac, making it perfect for commercial buildings, residential complexes, and retail shops. Due to the slim design, this commercial exit sign is great for positioning in office buildings, warehouses, doorways, and isles without taking over your décor.
- **NYC COMPLIANT** - New York City Building Authority has developed its rigorous requirements for Exit Signs used in commercial and public buildings. Our exit signs meet these regulations with ultra-bright internal RED LEDs, the word "EXIT" is in red, the exit sign can be seen from 200 meters away and the background is white. Even with their high-intensity LEDs, they consume very little energy; 3.2 watts to be exact. * Compliant in All 50 States
- **BACK-UP BATTERY** - Installed with a built-in 3.6V/700mAh Ni-CD battery. This backup battery provides 90-minutes of reserved power for outages. The adjustable LED lamps immediately go on when the power goes off. The battery automatically recharges within 24 hours after outages, so no replacement battery is necessary.
- **EASY MOUNTING** – The steel exit sign can easily be mounted. With its universal mounting, this can easily become a single or double-sided ceiling exit sign. It could be mounted from the Back, Side and Top. Side and top knockouts available (mounting hardware included)
- **DAMP LOCATED** – This red LED exit sign is damp located and is suitable for bars, restaurants, and gyms. Also suitable for operation in ambient temperatures of -0 - 40 (32 - 104)
