

ST Series**85 Watt T12 High Output Market Lite Plus
Straight Tube, RDC Base, Red**

T12 High Output Market Lite Plus Straight Tube

DESCRIPTION:

Fluorescent 85 watt red T12 high output market lite plus straight tube features a RDC base, provides a light output of 3400 lumens at a color rendering index (CRI) of 77 and can last an average of, 12,000 hours. Peaking in the red range of the spectrum, this lamp makes meats look redder and fresher, and will enhance flowers, vegetables, and dairy products packaging. In addition, this lamp will make whites appear brighter and undistorted. The Market Lite Plus is perfect for use in metal cases, produce counters, flower displays, and dairy cases.
