Listed, Brushed Nickel, for Residential &  
Commercial Use**

Fabric

**DESCRIPTION:**

Upgrade your interior lighting with Sunlite's 13-Inch LED Flush Mount Fabric Single Drum Light Fixture. This fixture's frosted acrylic round diffuser offers ideal lighting distribution while still drawing attention to the sleek lines of the brushed nickel mount and centerpiece. Its steel material as the body and blending them with textured fabrics are standard features of this fashionable interior design, frequently coupled with stimulating but not flashy colors. Almost any type of home can benefit from using components of this interior design. These dimmable fixtures let you pick the color temperature during installation. Using a switch within the fixture, you can choose between 3000K Warm White, 4000K Cool White, or even 5000K Daylight depending on your preferences. Designed to be installed with the mounting plate. All it takes is a simple screwdriver to mount the fixture. Twist the center decorative nut to mount the diffuser (installation steps will be included). The lighting output can be changed when connected to an LED-compatible dimmer switch allowing it to adapt to any lighting to suit the mood. ETL Listed for wet location installation. Ideal for Office, Bedrooms, Kitchens, Hallways, Bathrooms, and more. Mounting hardware and installation instructions included. Fixture Dimension 5" H x 13" D.
