

CA Series

Sunlite 81107 LED Filament CA11 Flame Tip Chandelier Light Bulb, 5 Watts (60W Equivalent), 600 Lumens, Candelabra Base (E12), Edison style, Dimmable, ETL Listed, 4000K - Cool White 1 Pack

Filament Chandelier

DESCRIPTION:

Sunlite LED Filament Style Chandelier bulbs are designed to give you up to 15, 000 hours of reliable service. That means fewer replacements for difficult to reach bulbs. These dimmable and energy efficient lamps provide the same output as a 60 watt bulb while only using 5 watts of energy. With 3 hours of daily use the annual operating cost is only \$0. 60 per bulb. (Based on \$. 11/kWh) And LED technology means they are cooler to the touch when lit and instant-on at full brightness. The standard candelabra base (E12) and classic filament style make them perfect for chandeliers, wall sconces, decorative lamps, and many other fixtures. ETL Listed for damp location installation. Ideal for both residential and commercial use.
