

SYLVANIA Luminaires

Wall Mount Lantern Family

Description

The SYLVANIA Wall Mount lights bring contemporary modern elegance to your home's exterior or interior lighting. These wall lights have built-in LEDs and offer 5 color selectable temperatures. Provide light where you want it with different design options to illuminate a dark patio, entryway, or provide wall washing lighting with the up-and-down lighting design options. They come in a black or black and gold finish over an aluminum frame. Innovative dusk-to-dawn technology turns on when low light is present. Save on cost and energy over a lifetime of 45 years - all backed by our 5-year warranty. These products are designed for effortless installation, requiring no additional hardware.

This family comes with the option to bypass the dusk-to-dawn sensor. Simply install the provided cap to the dusk-to-dawn sensor to control ON/OFF via a wall switch.
