

Surfa® 6 Surface Mount Channel

The Surfa 6 is a wide but very low-profile channel to accommodate any Alloy LED tape light for any size installation. This model is ideal for areas that call for a discreet light fixture.

The Surround premium diffuser cover creates smooth, hotspot-free lighting with virtually any Alloy LED tape light.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Frosted diffuser covers provide smooth light diffusion
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
