- End caps available for a tailored look
- Compatible with most tape light

Available Finishes

Anodized Aluminum

Compatible Tape Light

- Trulux Single Color
- Trulux Tunable CCT
- Trulux RGB

TRULUX™ Verge Extrusion

Perfect for in-wall accent lighting. The two meter length means less seams and more efficient installations. With large flanges the verge is ideal for any mud-in application. Create a linear effect in the wall with static white, single color, RGB, RGBW, or RGBTW tape.

Best suited applications:

Interior/exterior walkways, tile/wood flooring, facades, and hardscape
