The Bulbrite 30 ft. string light kit with clear shatter-proof S14 bulbs is the perfect way to enhance any outdoor landscape or indoor space. This string light kit features 10 sockets with clear (12) S14 / E26 bulbs (2700K Warm White), that set a classic, refreshing feeling in any space of your choosing, with a bulb shape that can bring a modern twist to any room. These lights are ideal for parties, outdoor events, weddings, and can even be used to bring new life and style to the interior of your home. Featuring a heavy duty commercial grade cable these lights are ETL rated for indoor/outdoor use.

- **SPECIFICATIONS:** Included in this box is a single 30-foot-long black string light with twelve LED S14 bulbs for the corresponding sockets. Each bulb utilizes LED technology to create an energy savings of 1 watt per bulb. The cord itself is black.
- **INDOOR OR OUTDOOR:** These string light bulbs are safe to use both indoor and outdoor and tested to withstand water and weather. Use them confidently, knowing they are WET rated and won't break when exposed to moisture, snow, or wind. Ideal for creating a mood inside or outside.
- **UNIQUE BULBS:** Included are 12 individual LED clear S14 bulbs (2700K). These bulbs have a decorative design unlike other traditional Edison style string lights to fit any style home.
- **Non-Dimmable,** designed for lighting fixtures where a dimmer switch is not installed
- **MULTIPLE USES:** Perfect for patio lighting, gazebos, porches, outdoor events, parties, restaurants/bars, weddings, living rooms, bedrooms, and more. These string lights set an immediate tone and mood for your home whether you're celebrating a holiday or simply decorating year-round.
