Effortless lighting, designed by the experts to fit any mood.

Introducing the LED Outdoor Collection by Kibün by Bulbrite—where timeless design meets modern performance. Built on Bulbrite's 50+ years of lighting expertise, this cordless, rechargeable lantern delivers 200 lumens of warm, reliable light, ensuring your outdoor moments are beautifully illuminated. Customize your lighting between 3 distinct modes: pulsing light for a dynamic vibe, static light for steady illumination, and flicker flame for a realistic fireplace effect. Easily adjust brightness with full-range rotary dimming to set the perfect mood. Adjust brightness effortlessly with full-range rotary dimming for the perfect ambiance.

Designed to move with you, the Bonfire features a fully dimmable LED light, so you can brighten your path or set the mood for an evening under the stars. Its lightweight yet durable frame makes it the perfect companion for campsites, backyard gatherings, and power outages alike. The stylish metal handle allows for effortless carrying and hanging—whether from a tent, tree, or porch hook. Also use the Bonfire to power your phone, tablet or other small devices with a built-in USB output, ensuring you stay powered up when off the grid.

At Kibün by Bulbrite, we believe that better light means better life. With the Camping Lantern, we bring effortless, professional-grade illumination to your outdoor adventures—because the best moments don't end when the sun goes down.

- Heritage-Inspired Design, Engineered for Adventure – A modern take on the classic camping lantern, blending vintage charm with Bulbrite's expertise in high-performance lighting.
- Superior Illumination, Tailored for the Outdoors – 200 lumens of amber light, fully dimmable to adapt to any outdoor setting—from moonlit strolls to campfire gatherings.
