Effortless lighting, designed by the experts to fit any mood.

Introducing the LED Outdoor Collection by Kibün by Bulbrite—where timeless design meets modern performance. Built on Bulbrite's 50+ years of lighting expertise, this cordless, rechargeable lantern delivers 260 lumens of warm, reliable light, ensuring your outdoor moments are beautifully illuminated.

Designed to move with you, the Groove+ features a fully dimmable LED light, so you can brighten your path or set the mood for an evening under the stars. Tailor your experience with 3 versatile lighting modes—color changing, pulsing, or dimmable static light—and seamlessly pair wirelessly with any smartphone to sync your lighting with your favorite tunes for the ultimate mood-enhancing experience. Its lightweight yet durable frame makes it the perfect companion for campsites, backyard gatherings, and power outages alike. The stylish hemp rope handle allows for effortless carrying and hanging—whether from a tent, tree, or porch hook.

At Kibün by Bulbrite, we believe that better light means better life. With the Camping Lantern, we bring effortless, professional-grade illumination to your outdoor adventures—because the best moments don't end when the sun goes down.
