

INSTALLATION:

1. Fix all parts of A1/A2/B1/B2 by screws to form a complete frame. Loosen the screws of B, as it will be removed in Step 3.
2. Fix the frame at the ceiling.
3. Unscrew B1 and remove the piece from the frame.
4. Fix the input wire of the luminaire.
5. Push the luminaire into the frame.
6. Reattach B1 with the screws to complete.

INSTALLATION:

1. Fixez toutes les parties de A1 / A2 / B1 / B2 par des vis pour former un cadre complet. Desserrez les vis de B, car elles seront retirées à l'étape 3.
2. Fixez le cadre au plafond.
3. Dévissez B1 et retirez la pièce du cadre.
4. Fixez le fil d'entrée du luminaire.
5. Poussez le luminaire dans le cadre.
6. Remplacez B1 avec les vis pour terminer.

INSTALACIÓN:

1. Fije todas las piezas de A1 / A2 / B1 / B2 mediante tornillos para formar un marco completo. Afloje los tornillos de B, ya que se retirará en el paso 3.
2. Fijar el marco en el techo.
3. Desenrosque B1 y retire la pieza del marco.
4. Fije el cable de entrada de la luminaria.
5. Empuje la luminaria en el marco.
6. Vuelva a conectar B1 con los tornillos para completar.
