features

- 30,000 hour rated life
- Low power consumption and high brightness
- Direct replacement for standard incandescent lamps
- Available in blister pack, two per card
- Energy efficient: costs less than other alternatives to operate over the life of the lamp
- Extreme long life: less frequent re-lamping reduces maintenance costs
- Environmentally friendly: no mercury or other hazardous substances, reducing environmental impact
- Heavy duty construction: shock and vibration resistant design increases lamp durability

applications

- Automotive
- Elevators
- Control Panels
- Industrial Equipment
- Power Plants

Miniature LED Replacement Lamps
