

# LED LAMP

## SPECIFICATIONS

This dimmable 150-watt equivalent Adjustable White PAR38 LED bulb offers long-lasting, energy-efficient lighting for your indoor or outdoor needs. Replace older bulbs with this wet-rated LED option, perfect for recessed lighting, track lighting, or outdoor security fixtures. Dim the brightness to create the perfect ambiance and enjoy savings on your energy bill. The PAR38150DM5CCTCA/2 flood light emits 1600 lumens using just 17.7 watts - up to 88% less energy than an equivalent 150-watt incandescent light bulb. With Adjustable White bulbs, you can choose from five white color temperatures in one bulb to perfectly match the mood of your space. High-quality Enhance 90+ CRI LED light makes colors appear more vibrant and skin tones look more natural. Feit Electric PAR38 LED bulbs are wet-location rated for use indoors and outdoors. Choose a dependable reflector bulb for outdoor security lighting that provides the perfect color temperature no matter the space.
