50 Watts Ultra Bright LED Light

3 Adjustable light panels provide 6000 lumens, 5000K color temperature.

Our LED garage light has three adjustable panels that go from 0 to 90 degrees that provide a wide range of illumination. Its E26 medium base will easily install into most light sockets.

90° Adjustable Panels

Each panel is 90° adjustable, which gives a perfect light distribution curve according to your application.
