### Product Features

Achieve the vintage-industrial look with pendant lights that are perfect for kitchens, gathering areas, hallways, foyers, retail spaces, restaurants and hospitality applications. Similar to designs seen in high-end home furnishing stores, these retro-industrial pendants are perfect for use as singles or multiples to provide an elegant and classic addition to almost any space. Each pendant ships with one highly efficient LED A19 or ST19 clear filament bulb (unless otherwise noted).

### Specifications

**Construction:** Post painted aluminum canopy, 3.5ft adjustable cord with rubber coating or 10ft cord with plug. The shade is either post painted aluminum or clear glass. The color offering is matte black.

**Electrical:** The luminaire is designed to operate through the 120 VAC voltage.

**Installation:** Luminaire canopy mounts to recessed outlet box.

### Applications:

**Commercial:** hospitality and retail applications.

**Residential:** kitchen, bedroom, living and working areas.

### Listings:

**Fixture:** cETLus listed to UL1598 standards and suitable for dry locations.

**Included Bulb:** cULlisted to UL1598 and suitable for dry locations, CEC Title 20 Compliant.

**Note:** Specifications subject to change without notice.

\*For lamp only
