ARCHITECTURAL LIGHTING NEWSLETTER

CALIFORNIA GOLD!

Discover Ushio's new line of California Title 20 listed LED replacement lamps. Our most popular lamps, Utopia™ PRO Gold A19, are UL Enclosed Rated and available in soft white (2700K) and daylight (5000K) color temperatures. For your hospitality and restaurant lighting needs, choose Uphoria™ PRO Gold R/BR lamps. These high CRI (90+) lamps are UL Listed and suitable for recessed fixtures.

We're excited to offer two new MR16 lines this year. Our Uphoria d'Oro and Uphoria PRO Gold LED MR16 lamps operate on 12V in soft white (2700K) and warm white (3000K) color temperatures.

Experience the gold standard in low voltage LED lighting with ENERGY STAR® certified Uphoria PRO Gold LED MR16 lamps. These dimmable, 500 lumen lamps are certified to California's stringent Title 20 and JA8-2016-E standards. Available in Flood beam angles, these 90+CRI MR16 lamps deliver high candela and are suitable for use in fully enclosed fixtures.

When you need a premium lighting solution, consider our Uphoria d'Oro LED MR16 lamps. Available in 7W, these 95+CRI, high R9 (90) lamps provide a full color spectrum experience with more vibrant reds. These lamps are available in Spot (15°), Narrow Flood (25°) and Flood (36°) beam angles.

And finally, we're introducing our new Uphoria PRO Gold LED PAR lamps. Available in soft white (2700K) and warm white (3000K) color temperatures, these UL Damp Location rated PAR20 and UL Wet Location rated PAR30, PAR30LN, and PAR38 deliver very high candela and high CRI (92+).

All of our PRO Gold LED lamps offer smooth, quiet dimming (down to 10%) and have a 25,000 hour rated life. We are proud to stand behind these lamps with a 3-year limited warranty for A19, MR16, and PAR lamps or a 5-year limited warranty for R/BR lamps.

UBIQUITY™ LED T8 UNIVERSAL UL TYPE A + B | LED

Ubiquity™ LED T8 Universal lamps have a hybrid design capable of ballast compatible or direct-wire operation. These T8 lamps utilize the existing electronic ballast, saving labor and maintenance costs. If the ballast is not compatible then simply bypass the ballast. Use these dual mode lamps to reduce the number of SKUs in your inventory.

- Lowest Installation Cost
- Dual Purpose Design Suitable for Most Applications
- Coated Glass Lamp
- ETL Sanitation Listed
- 50,000 Hours Rated Life

Applications:

- Office Lighting
- Warehouse Facilities
- Retail Lighting
- Healthcare Facilities

**2-Pin G13 Base****Sold in Case Quantity Only**

		Item Code	Case Qty.

11W	UBIQUITY LED T8 UNIV, DL50, 48"	3000705	25

UBIQUITY™ 2 LED T8 DIRECT WIRE | LED

An ideal retrofit solution, the Ubiquity™ 2 LED T8 Direct Wire lamps can be wired to one end or both ends. This significantly reduces your labor and related expenses. At 12.5 watts, these lamps offer an energy-saving solution for F32T8 fluorescent lamps and eliminate the need for external ballasts and LED drivers. Tested to NSF standards, these lamps are ETL Sanitation Listed and suitable for use in areas where food is prepared.

- Coated Glass Lamp
- Replaces F32T8 Fluorescent Lamps
- Frosted to Prevent Glare
- ETL Sanitation Listed
- 50,000 Hours Rated Life

Applications:

- Office Lighting
- Warehouse Facilities
- Retail Lighting
- Healthcare Facilities

UBIQUITY™ LED T8 DIRECT REPLACE | LED

Ubiquity™ LED T8 Direct Replace lamps offer an instant energy-saving solution for F32T8 fluorescent lamps on most instant-start and programmed-start electronic ballasts. There's no need to rewire fixtures or disconnect ballasts. These 50,000 hour rated lamps utilize the existing electronic ballast, saving labor and maintenance costs. It's easy and energy efficient! Tested to NSF standards, these lamps are ETL Sanitation Listed and suitable for use in areas where food is prepared. By not tampering with the fixture wiring or bypassing the ballast, the original UL Listing on every fixture is preserved.

- Coated Glass Lamp
- Replaces F32T8 Fluorescent Lamps
- Plug-and-Play for Instant & Safe Installation
- Frosted to Prevent Glare
- Instant On / No Flicker
- ETL Sanitation Listed
